

**REMARKS**

In the Office Action of June 16, 2003, the Examiner subjected claims 1-39 to a restriction requirement. The Examiner identified Group I containing claims 1-28, 32-39; Group II containing claim 29; and, Group III containing claims 30-31.

Claim Group III is hereby elected. The claims of Groups I and II are hereby canceled without prejudice or disclaimer. Claims 40-72 are newly added. Note that claim 30 has been amended to include indicia, a feature that is recited in some of the newly added claims. Support for the newly added claims is found throughout the specification. Note as well that the newly added claims are similar to claims canceled herein, and further define subject matter found in claim 30 (Group III). Applicant preserves the right to present at least the withdrawn claims in at least one divisional application.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,
